A mission family comes home.

On Saturday 5 December 2026, the Harare Zimbabwe Mission family gathers again: comrades who served together, families who grew up around the mission, and friends who have heard the stories for years. The day begins at The Temple at 10:00 AM and moves to Kingfisher Park, where the serious business is simply being together.

There is a mascot and a jumping castle for the children, a table for every generation, and a standing invitation to travel together from the Temple if you are willing. Nobody needs a title to belong. They only need to come.

KEY MESSAGES

COME HOME. The reunion is for every comrade, whether you served long ago or yesterday.

BRING THE FAMILY. Children are expected, not merely tolerated. Mascot and jumping castle included.

TRAVEL TOGETHER. Meet at The Temple and ride with the group to Kingfisher Park, if you are willing.

> “Calling every comrade. Come and be together again.”

A campaign you can publish today.

Every asset is ready in the shared campaign folder, sized for its channel and built from the same green-and-gold system. Use them as they are, or crop them for your own channel.
